

GUIDE TO COMPLETING APPLICATION

Thank you for applying to the University of the Nations/YWAM training school. The following application is applicable to the Family Ministries School, Norway. Accredited under the auspices of the University of the Nations, Tonga. In order for us to process your application we must receive all the following completed forms: Application form and two reference forms, see section about reference forms. If a question does not apply to you, write N/A in the text field.

Husbands and wives enrolling as students must complete separate applications.

1. Fill out the application form. The PDF can be filled out on the computer, saved with the typed data and emailed to us.
Please answer the questions on page 4 on a separate sheet (can be done on a computer as well) and email the application form + separate sheets to us.
Signing the document can be done in one of two ways:
 - Print out the form and sign it with your handwriting, scan it and email it to us/send it by regular mail.
 - OR...type your name on the document, put your signature on a piece of paper, take a photo of your signature and email it together with the application
2. **Reference Forms.** Download the reference form and send it to two persons who know you well. One must be your pastor/ministry leader/YWAM school leader and one must be a friend. If you have taken a YWAM/U of N course previously, one of the reference forms must be from your most recent school leader. Ask them to complete the form and mail or e-mail it directly to the address below. Please list their names and addresses on a separate sheet of paper. We must receive both reference forms BEFORE we can process your application.

IMPORTANT: All students are encouraged to apply early, generally at least two months prior to the start of the school. Applications from students outside Norway must be received three months prior to the start of the schools to allow time for the processing of the visas. Students from countries within European Union don't need visas. From other countries students need to apply for visas 2-4 month before the school start.

An E-mail number or fax contact would assist with late applicants.

Please do not apply for a visa until you receive instructions from the Registrar:
